Dramatic Minds

On Friday, week three, the 9/10 Drama class travelled to Temora to perform at Dramatic Minds. The competition was evenly matched; however the drama group from Temora High School came out on top. There were also films and artwork showcased from various schools in the region about youth mental health. Despite not getting first place, the class performed well and had fun. Dramatic Minds was 9/10 Drama’s first performance in front of an audience but we kept our cool under pressure thanks to weeks of practise and guidance from our teacher Miss Anderson.
