Aerosols Cans

Students are NOT to bring aerosol cans to school - this includes deodorant in spray cans.

Parents are asked to assist us by not allowing your children to bring these items to school.

Roll-on deodorants are a great alternative.

Spray deodorants will be confiscated if your child is found with them.

Clean Up Australia Day

On Friday, 27th February 2015, Coolamon Central School students participated in Clean Up Australia Day! It was a fantastic morning with students venturing out of the classroom with their teachers to clean the streets of Coolamon. The morning ended with an Icy Pole and a lot of smiling faces. A special thank you to Mrs White for organising the morning.

Annette Taylor

Primary District Cross Country

Last Friday, 1st May 2015, 36 of our students travelled to Beckom to represent Coolamon Central School in the Coolamon/Ardlethan District Cross Country. The day was sunny and our spirits high, with a rocky track for our students to compete on they all ran a wonderful race. We had many students finish in the top 10 of each age group. A special mention to Michaela Rook and Hannah Walker who finished 4th in their age groups which means they will be given the opportunity to compete in the Riverina Cross Country to be held in Gundagai on Thursday 11th June 2015.

Well done to all students and a huge thank you to our wonderful CCS parents for transporting the kids to Beckom and back safe and sound.

Secondary Success

Congratulations go to our first group of Bronze Award recipients under our new Student Well-being and Learning system that recognises positive behaviours towards learning. Each of these students has accumulated 20 Merit Points through their activities in class with their learning and through community involvement. We look forward to more students attaining the Bronze Award this term and eagerly anticipate our first Silver Award winners in the next few weeks.
