A Taste of University Life

“You miss 100% of the shots you don't take.”—Wayne Gretzky

Past events

La Trobe University experience day was held on Friday, 19th June 2015. It was fantastic day for the three students that attended the Albury campus. The day was prepared and conducted by university students to help assist in answering university life questions, as well as completing hands on activities about a variety of subjects the students are considering for their future careers.

Budding Builders

7/8 Red have been busy making a toy of their choice out of timber in Technology Mandatory. The students have designed their own projects, costed them and are now busily putting their ideas into action.

There are some amazing creations including a skateboard, dominoes, abacus, jigsaw puzzle and clap sticks.

We look forward to seeing the finished products.
A Message From the Principal

As we approach the end of a very busy term I would like to thank students and staff for all of their hard work. Reports will be mailed home to all parents later this week.

For the safety of students and staff, all school gates (except Methul Street) will be locked between 8.55am and 3.00pm. Parents are reminded that if you need to deliver a message or lunches to your children then you need to pass them on to the front office. If parents or visitors need to see a staff member they are required to make an appointment through the front office.

Again, a reminder for parents if you haven’t as yet paid your children’s secondary elective subject fees could you do this as soon as possible. These elective courses are very expensive for the school to run as they require items to be purchased from these fees for the courses to be run effectively.

We hope that you have a safe and relaxing holiday. School recommences for all students on Tuesday, 14th July.

John Beer

Messages

The school office has been receiving numerous calls from parents requesting us to pass on messages to their children. Please make sure that your children are told what their afternoon arrangements are before they come to school. We are happy to pass on messages in an emergency, however, we appreciate your assistance in keeping messages to a minimum.

School Contributions and Fees

Also, reminder notices will be sent home next term for general contributions and overdue elective school fees. Please ensure that these are paid as soon as possible.

Lost Property

Our lost property bag is overflowing with unlabelled uniforms. If your child has misplaced some items, please come in and check our lost property before it is cleaned out at the end of this term. All unclaimed items will be disposed of or washed and sold in our ‘Share the Wear’ second hand uniform shop.

Change of Contact Details

Your child should have brought home a note recently requesting you to send in any changes in your contact details. Could you please return these to the office ASAP as we are in the progress of updating our parent/carer contact details. Due to increasing postal costs we would also like to conduct more of our correspondence by email.

Pie Orders

A reminder that pie order forms are due back to school by this Thursday, 25 June 2015.

Pies will be ready to be collected on Friday 17 July 2015 by 3.00pm.

The annual pie drive is a great way to stock the freezer with easy and belly warming snacks and meals.
