National Simultaneous Storytime

National Simultaneous Storytime is an annual campaign that aims to encourage more young Australians to read and enjoy books. Now in its 15th successful year, it is a colourful, vibrant, fun event that aims to promote the value of reading and literacy using an Australian children's book that explores age appropriate themes, and addresses key learning areas of the National Curriculum. Our Primary students were lucky to be treated to a special storytime with Helen from our local Library who read ‘The Brothers Quibble’ before engaging the students in some fun craft activities. Helen is pictured right with Braith Gain from K/1 Emerald.

7/8 Premiers Debating Challenge

Last week, four students participated in the first round of the 7/8 Premiers Debating Challenge at Temora High School. It was a long day but our students represented Coolamon Central School with distinction. They not only debated extremely well but they won, leaving them in a good position for the next rounds. CCS will host Cootamundra High School, Temora High School and Murrumburah High School at a ‘Super Debate Day’ to be held at our school in the coming weeks.

Well done!

P&C Classic Car Club Catering

Our P&C have been busy once again, preparing delicious food for the Sydney Vintage Car Club who travelled through Coolamon on Saturday. Through our efforts we managed to raise approximately $1100. Thank you to the staff and parents who prepared sandwiches and cooked up belly warming soups and also to those who helped out with the setting up, serving and packing up on the day. Once again, 'job well done'.
