Skoolbag

Skoolbag is a mobile app that gives parents access to their children’s class notes, excursions, newsletters, event alerts etc.

At Coolamon Central School, Skoolbag is used as an extra means of communication between the school and the parents who are a part of our school community.

You can install the Skoolbag app on your phone or tablet by downloading it for free.

Don’t forget to update your ‘Push Categories’ each year to select the classes that are applicable to your children. This is done by clicking the ‘more’ button and then ‘setup’.

For more information please visit the Skoolbag webpage at www.skoolbag.com.au.

Private Vehicle Conveyance Subsidy

The PVC Subsidy is available for eligible school students, who are residents of NSW and where there is no public transport available for all or part of their journey to school. The PVC Subsidy is paid based on the distance between the student’s home and the nearest transport pick up point or school. The PVC Subsidy may also be available on medical grounds.

Forms are available from the school office.

Breaky Central

Breaky Central is back again this year, running Monday, Wednesday and Friday mornings before school. Thanks to kind donations from several generous local business’s we are able to provide toast, fresh fruit, porridge and Milo’s free of charge to students.

After all, ‘breakfast is the most important meal of the day’!

Schools Spectacular

Auditions are now open for students interested in performing (singing and dancing) as Featured Artists in the Schools Spectacular 2016. All auditions and nominations are made through the online process via the following link for students interested in applying now or in the future:
